

## Week 4

# Capstone Project- The Battle of Neighbourhoods

### Introduction

New Delhi is an urban district located in the city of Delhi. New Delhi serves as the capital of India and the seat of all three branches of the Government of India. The city itself has a population of 257,803.

New Delhi is a cosmopolitan city due to the multi-ethnic and multi-cultural presence of the vast Indian bureaucracy and political system. The National Capital Region is a much larger entity comprising the entire NCT along with adjoining districts in neighbouring states. The official language of New Delhi and the one that is most widely spoken is Hindi. However, English is also spoken as a formal language within businesses and government agencies. New Delhi is the largest commercial city in northern India. It has an estimated net State Domestic Product (FY 2010) of ₹1,595 billion (US\$22 billion) in nominal terms and ₹6,800 billion (US\$95 billion) in PPP terms. As of 2013, the per capita income of Delhi was Rs. 230000, second highest in India after Goa. GSDP in Delhi at the current prices for 2012–13 is estimated at Rs 3.88 trillion (short scale) against Rs 3.11 trillion in 2011–12. Connaught Place, one of North India's largest commercial and financial centres, is located in the northern part of New Delhi.

With its diverse culture, comes diverse food items. There are many restaurants in New Delhi City, each belonging to different categories like Chinese, Italian, French etc. So as part of this project, we will list and visualize all major parts of New Delhi City.
